Post-Jumboliter is a slightly larger version of the Postlitter, adequately filling larger spaces. The solid copper creates a durable frame and classy style appropriate for many applications. Specify the Post-Jumboliter to accent walls, downlight walkways and patios, or illuminate steps and staircases.

**Standard Lamp:** WM-4144CU LO921

**Material:** Natural Copper

**Finish:** WM-4144 CU Natural Copper  
WM-4144 CU-1, -2, -3, -4, -7, -8, -9, -AV, -VP, -W
